The note strongly intimates that the United States has virtually acquiesced in the conditions of embargo and blockade laid down by the British order in council, inasmuch as American exporters have ceased looking for further German orders and are not despatching any cargoes to German ports, their action indicating their belief that the American government is not disposed to uphold them in their rights upon the high seas.

DANDRUFF IS ACTIVE

Save your Hair! Get a 25-cent bottle of Danderine right now-Also stops Itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff-that awful scurf.

There is nothing so destructive to the hair as dandruff... It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight - now - anytime - will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or tollet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so [Associated Press by Federal Wireless] [Associated Press by Federal Wireless] beautiful.
